All golf courses are currently spraying a pre-emergent for weeds.

All the defective irrigation parts have been replaced at Quail Run Course.

The business plan for the North Course project is complete and been given to RCSC Directors Kise and Bresset. It will reviewed at the GAC and is to be sent to the full RCSC Board.

6 Vendors were present for the North walk through for the Turf removal, TifTuf turf on the back nine and bunker renovation. Only one submitted a bid for the bunker renovation, Landscape Unlimited who had done the Quail Run project. Hopefully, they will pick up the rest of the work as they will be here.
